

Was the content clearly explained and demonstrated? What could be improved?

yes

How useful were the activities?

very useful - will try to start using Git

Describe at least one thing that could be improved and one thing that worked in today's workshop.

I'm interested in moving onto more SAS code.

Would you recommend today's workshop to others?

yes

Any feedback is greatly appreciated!!! Thank you!!

Was the content clearly explained and demonstrated? What can be improved?

Yes

How useful were the activities?

helpful with the small group (one on one focus)

Describe at least one thing that could be improved and one thing that worked in today's workshop.

Focus on what can be accomplished in ~~about~~ specific amount of time (ie info + git needs more time vs other concepts)

Would you recommend today's workshop to others?

Yes. More on Git commands + SAS

Any feedback is greatly appreciated!!! Thank you!!

Was the content clearly explained and demonstrated? What could be improved?

~~May~~ Everything very clearly explained. Thank you for donating your time to teach us these important techniques.

How useful were the activities?

Very useful.

Describe at least one thing that could be improved and one thing that worked in today's workshop.

I guess just spending more time to practice though I know this is hard because we are all so busy!!

Would you recommend today's workshop to others?

Yes. Thank you both again!!!

Any feedback is greatly appreciated!!! Thank you!!

Was the content clearly explained and demonstrated? What could be improved?

yes. It was very helpful. Good to have hands on help with the coding.

How useful were the activities?

Useful. It seems handy, although it will take a while to put into practice.

Describe at least one thing that could be improved and one thing that worked in today's workshop.

It gave a good overview of benefits of and how to use GAT.

I am really interested in getting started on the statistical assumptions part as I think this will be very useful for

Would you recommend today's workshop to others?

yes. my future work. Thank you !!

Any feedback is greatly appreciated!!! Thank you!!
