

Was the content clearly explained and demonstrated? What could be improved?

Good use of analogies, clearly explained

How useful were the activities?

It was helpful that you were both very flexible and willing to address questions.

Describe at least one thing that could be improved and one thing that worked in today's workshop.

TIMING THAT THE WORKSHOP IS OFFERED (EVENINGS ARE OFTEN EASIER, BUT I REALIZE NOT AS ACCEPTABLE TO THE MAJORITY OF PEOPLE).

WORKED:

THE SMALL GROUP, WHICH ALLOWED FOR MORE INDIVIDUAL ATTENTION.

Would you recommend today's workshop to others?

Yes

THANKS FOR THE WORKSHOP!

Any feedback is greatly appreciated!!! Thank you!!

Was the content clearly explained and demonstrated? What could be improved?

Yes! Thank you for putting these workshops together!

Practicing  
examples  
would  
definitely be  
helpful

How useful were the activities?

Very helpful running through how to make changes +  
merge branches but really need more practice. As well as seeing the real-

Describe at least one thing that could be improved and one thing that worked in today's workshop.

World applications.

Great job as an intro class!

Would you recommend today's workshop to others?

YES!

Any feedback is greatly appreciated!!! Thank you!!

Was the content clearly explained and demonstrated? What ~~can~~ be improved?

Pretty good! Went slightly fast.

How useful were the activities?

Very.

Describe at least one thing that could be improved and one thing that worked in today's workshop.

It would be perfect if the "code" and the ~~as~~ output / changes could be shown side by side.

Would you recommend today's workshop to others?

Yes.

Any feedback is greatly appreciated!!! Thank you!!

Was the content clearly explained and demonstrated? What can be improved?

Yes, but I think I would like some printed sheets to follow along.

How useful were the activities?

Very useful

More version control  
for next workshop

Describe at least one thing that could be improved and one thing that worked in today's workshop.

The hands on worked

& written cheat sheets would help.  
printed

Would you recommend today's workshop to others?

Yes .

Any feedback is greatly appreciated!!! Thank you!!

Was the content clearly explained and demonstrated? What could be improved?

Yes. maybe get the bash display a bit bigger or highlight the "git..." lines to see what the command does. Sometimes there's a lot of output. It's just easier to see when you're catching up with typing.

How useful were the activities?

Hands on is good.

Describe at least one thing that could be improved and one thing that worked in today's workshop.

Have a summary of what commands do and when to use, just to distill what we learned for the session.

Would you recommend today's workshop to others?

Yes.

Any feedback is greatly appreciated!!! Thank you!!
